4th Street Taimani, Kabul, Afghanistan

About Me

Passionate and results-driven Full Stack Developer with 1+ year of hands-on experience in web development. Proficient in front-end and back-end technologies, including HTML, CSS, JavaScript, React, Python, and Django. Successfully developed and deployed interactive web applications such as portfolio websites, a weather app, and a to-do app.

Skills

- Frontend: HTML, CSS, JavaScript, React
- Backend: Python, Django
- Remote Collaboration & Independent Problem-Solving

Education

- High School Diploma**
Hope High School 2012 - 2024
Successfully completed secondary education with a solid academic foundation. Developed essential skills in communication, problem-solving, and time management, supporting future growth in web development and technology.
- Frontend Diploma**
Ulearna Institute 2023 - 2024
Completed an in-depth program focused on modern web development technologies and best practices. Gained hands-on experience with HTML, CSS, JavaScript, and React, building responsive and user-friendly web applications. Developed and deployed projects such as portfolio websites, a weather app, and a to-do app, demonstrating practical problem-solving and design skills.
- English Diploma**
Milan Institute 2022 - 2023
Completed a comprehensive English language program focused on improving proficiency in reading, writing, speaking, and listening. Developed strong communication skills essential for professional collaboration in global and remote work environments.
- Full Stack Diploma**
Afghan Cosmos Institute 2024 - Present
Currently pursuing an in-depth program focused on full stack web development, covering both front-end and back-end technologies. Expanding expertise in HTML, CSS, JavaScript, React, Python, and Django to build dynamic, responsive, and scalable web applications. Actively working on real-world projects to strengthen coding skills and problem-solving abilities.
- Certificate in IT**
Ulearna Institute 2023 - 2024
Completed a certificate program focused on essential IT skills, including proficiency in Microsoft Office applications (Word, Excel, PowerPoint) and Windows operating systems. Gained practical knowledge in system setup, maintenance, and troubleshooting, providing a strong foundation for handling everyday IT tasks and supporting web development work.
- Certificate in English**
Afghan American Institute oct 2021 - jan 2022
Completed an intensive 3-month English language course, focusing on improving proficiency in reading, writing, speaking, and listening. Enhanced communication skills for both personal and professional settings, supporting effective collaboration in remote work environments and boosting confidence in engaging with international teams.
